

As seen on
Good Morning America

MAMABEAR

The all-in-one worry-free parenting app

Make parenting easier, protect your kids and enjoy peace of mind with The Ultimate Parenting App™.

Family News

Send family messages, doodles, photos and get game reminders all in one place.

Social Media Monitoring

Get updates about your child's Instagram uploads, YouTube, Facebook and Twitter @mention activity.

Text Message Monitoring

If your child is using an Android device, you can now review all of their incoming and outgoing text messages.

Location Sharing

See your family on a map, and set departure and arrival notifications for home, school and other places.

Speeding Alerts

Know when and where your child is driving or riding faster than a speed you set.
