Ken Fontes motion to nominate Frank Kowzic Chairman

Ken Fontes nominated for Clerk of Water's Commissioner motion Frank Kowzic -
Seconded by Ken Fontes vote: 2-0-0

Linda Scharf - spoke with Kathi she mentioned water hydrant was hit on 15 Sand Pond Road, Kevin states, the state is still investing the cause of the boil water situation. Shut off line to hydrant on the District's property. Linda asked any chemicals being used to clear the land. Contractor who cut the trees and made wood chips and another contractor covered the hydrant he is responsible for burying the hydrant. Holly Van Ness, what is the next step to avoid this hydrant or contamination of the land going forward. Linda asked about communication why agenda is posted on the website needs to be updated. discussion on informing the residents in a better format. Ann Epick - was disappointed with happened to her and the water and the street sweeping, since April and office staff continued to tell Ann Epick it was being addressed, now coli form in the, office staffed they don't do robo called, not coli form and now ecoli> Kevin stated he used the right media, Channel 5, facebook, local cable, newspaper, Town of Wareham website. Some residents received no boil water order, however, they did not receive the initial call to boil order. Kathi Barry wanted to be notified when the initial when the water was yellow for three weeks. Hydrants flushing could take a few days, to clear the water, once flushed. Ken did have a conversation with Town Administrator that Onset Water needs to be notified with this going to occur, and the Town Administrator spoke with Mr. Menard. Last boil order was 1970 and the Commissioners will work to correct the bad. Kevin states the quality of water has been exceptional, Onset is one of the only water supplier that doesn't chlorinate. Chief Goodwin and firefighters helped the Water Department and all departments worked together. Questions why gallons weren't used Belmont Springs was the MEMA contact for water supply. Ben wanted to thank the Patrick McDonald, Board of Health, Town Administrator, Kevin. Kevin is recommending to have an testing site at Indian Mound Beach. Kevin will start posting the agenda on the building at 15 Sand Pond Road, Fire

Station and Post Office.

Discussion to move meeting to 500 pm 2nd and fourth Wednesday, June 12, next meeting at 500 pm

Motion to adjourn at 5:57 pm Ben seconded by Ken vote: 3-0-0

Respectfully submitted:
