

BETTER BROTHERS LA

COLUMBUS DAY WEEKEND GETAWAY

October 6 – 9, 2017

Tacos, Tequila, & Tranquility

Puerto Vallarta, Mexico

You asked us to plan a getaway. You told us about your interest in seeing places near and far, your anxiety about travelling alone and your interest in travelling in a group. We hear you!!

To celebrate the 4th Anniversary of Better Brothers Los Angeles and in response to your requests, join us for our 1st destination trip. We have chosen a tropical location that has been a hotspot for years and you'll need a passport to come.

Why Puerto Vallarta?

Located in the Mexican State of Jalisco, and boast an average daily temperature of 83 F and average night temperatures of 70 F.

This sophisticated but easy going city has been an LGBTQ destination for decades. With its great climate, beautiful ocean bay, beaches, mountains and lush tropical jungle, Puerto Vallarta is devoted to serving the visiting traveler. While retaining much of its old style Mexican charm, Vallarta has over the years built up the infrastructure of a modern resort community. So visiting a tropical paradise doesn't have to be a choice between a modern but sterile place or the alternative of a quaint but primitive existence. Puerto Vallarta has all the quaintness, without compromising on any of the modern conveniences.
