

OFFICER JAIME PADRON

MEMORIAL GOLF TOURNAMENT

Officer Jaime Padron

On April 6, 2012, Officer Jaime Padron paid the ultimate price of being a police officer. He gave his life to protect the citizens of Austin. And we, his brothers and sisters, would like to honor him by having a golf tournament. Jaime, like many others, loved a round of golf. So what better way to honor him by getting together for a round and raising money for Austin Cops for Charities, an organization Jaime supported. Thank you for your support,

Austin Cops for Charities

Who We Are

www.austincopsforcharities.com

Austin Cops for Charities is an IRS tax-exempt, 501 (c) (3) non-profit organization. It was created in 2006 by the Austin Police Association Board of Directors. The organization is managed by a Board of Trustees appointed by the President of the Austin Police Association. There are seven members on the board, five are Austin Police Officers of different ranks and two are declared honorary members from the community.

Collectively, the organization's goals are two-fold. First is to support and assist Austin Police Officers who experience an unanticipated emergency, such as a death of a child or spouse, a severe injury, a diagnosis of a serious illness or a loss outside the officers experience that requires immediate financial assistance.

Secondly, we support community based nonprofit organizations who share common interests that we in the law enforcement community support, such as after school programs that help keep children safe, institutions that help educate our youth to be better citizens and organizations that help improve the quality of life for families who have been traumatized by abuse and neglect.

Throughout the years Austin Cops for Charities has developed a range of partnerships with other nonprofits who share our common concerns. Since 2008 contributions totaling over \$530,000.00 have been made to various nonprofits that are making a difference in our local communities, plus aid and support of Austin police officers and their families during times of crisis. Some of our past and current charity partners include African American Men & Boys Harvest Foundation, the Center for Child Protection and Family Support, Communities in Schools, Council on At-Risk Youth, For the Children, the River City Youth Foundation, Austin Police Department's Police Explores Program, PAL Program and their Blue Santa Operation, the Greater Austin Crime Commission, Bucky G's Youth Football Summer Camps and Amigos En Azul's "Shop with a Cop" Program.

Austin Cops for Charities would not be able to accomplish all that it does without all of our supporters and volunteers who share our goals and our mission.

We hope you will join us as a sponsor and a lifetime contributor.

Thank You for Supporting Austin Cops for Charities
