Water Commissioners:
Kenneth Fontes, Chair
David Andrade, Clerk

March 25, 2024

Onset Water Customers: Attention

Annual water main flushing program will begin the last week of March continuing into April, until complete. Please wait until Water Dept. personnel have completed flushing in your area before running your water. If you experience discolored water, please run cold water only until clear, normally water will clear within Five (5) minutes. If you continue to experience discolored water an hour after personnel have completed work in your area, please call the office.

Office: 508-295-0603

Thank you for your patience during this time.

David Candeias
Superintendent
