

## **Gerald Park Association**

### **Kayak, Canoe and Paddleboard Racks – Usage Rules**

The Gerald Park Association has racks for kayaks, canoes, and paddleboards located at our beach area, where members can store these items for free for the season.

Each year, on May 1, assignments for the spaces on the rack are made. You can apply to use a space in one of two ways:

- Send an email to [geraldparkcoventry@gmail.com](mailto:geraldparkcoventry@gmail.com).
- Mail a brief written request to:

Kayak, Canoe, Paddleboard Coordinator  
c/o 57 Dooley Avenue  
Coventry, CT 06238

#### **Your request must be received by May 1.**

Phone, email, or other non-mailed requests cannot be honored. Applications will be assigned on a first-come, first-served basis, with priority being given to non-lakefront property owners.

Please note:

- You must mail a new request each year since assignments for spaces on the rack expire at the end of each year.
- Kayaks, canoes, and paddleboards are stored in the racks at the risk of their owners.
- The Association assumes no responsibility for loss or damage to personal property left at the beach.
- Due to insurance requirements and for the safety of all members, kayaks, canoes and paddleboards can only be stored at the beach if they are on a rack. Storage against the fence is not permitted.
- Any kayaks, canoes, or paddleboards that are not stored in the rack or not removed from the park daily will be removed.
- All kayaks, canoes, and paddleboards must be removed from the racks by November 1.
