## Veterinary Facility Disclosure Statement

### PLEASE READ AND SIGN.

The Virginia General Assembly has enacted Code Number 54.1-3806, which demands that all animal medical care facilities state to clients/guardians, that there is no staffing of the hospital after the doctors and staff leave the premises at the end of our working day. At Madison Companion Animal Hospital the doctors and staff leave this hospital after 6 pm Monday through Friday and return at 7:30 am the following working day. On Saturday morning the hospital is staffed from 8 am to noon. There is continuous medical care on Monday through Friday 7:30 am to 6 pm, and on Saturday from 8 am to 12 noon. I have read the above and understand the hospital staffing hours.
