Statement of Hospital Boarding Policy

Please read through our policies and sign at the bottom acknowledging that you agree to the terms.

1. Pets must be picked up between 8:00 AM and closing, Monday through Saturday. Discharges after hours are not allowed.
2. Personal items may be left at your own risk. We are not responsible for loss or damage. We are happy to provide your pet(s) with towels and food and water bowls.
3. Madison Companion Animal Hospital strives to maintain a flea-free environment. If your pet arrives with evidence of fleas we will administer a flea treatment and your account will be charged accordingly.
4. Madison Companion Animal Hospital cannot guarantee the health of any animal, but pledge to give appropriate care to all boarded pets. I hold this facility harmless for conditions that often are unavoidable in boarding environments, including, but not limited to, weight loss, rough hair coat, kennel cough, upper respiratory infection, diarrhea, and skin irritations.
5. Should the pet(s) identified on this record become ill, I request that Madison Companion Animal Hospital provide all medical/surgical treatment deemed necessary. I acknowledge that in the event of my pet's illness, the staff at Madison Companion Animal Hospital may not be able to contact me immediately and is therefore authorized to initiate appropriate treatment until I (or the emergency contact) can be reached. I agree to pay all related expenses associated with the treatment of my pet until I am available to discuss further care and related fees with the attending veterinarian.
6. I certify that my pet appears to be free of contagious disease and has not bitten anyone within the past ten days.
7. **Vaccinations** must be current to board. Canine pets require a Distemper, Rabies, Bordetella and a current Heartworm Test. Feline pets require a FVRCP and Rabies vaccination. If any vaccinations are past due, we can update them while your pet is here. Vaccinations administered at this facility will be added to your invoice.
8. In the unfortunate event that the pet is not picked up and repeated attempts have been made to contact you and no arrangements are made for the pet, you give us permission to place the pet in a suitable environment for finding a new home. You will be responsible for the boarding and care fees associated with this service.
