Slide Gates, Diverters and Loading Solutions

World authority in advanced technology for magnetic, vibratory, and inspection system applications. †

Vibratory Feeders, Scalpers and Screeners

Metal Detectors and Checkweighers for Bulk or Packaged Products

Grate, Tube, Plate & Trap Magnets; Permanent and Electro Belt Magnets

Stationary and portable industrial vacuum systems for dry and/or wet applications

World Leader in Particle Separation and Size Reduction Solutions †

HX, Classic and Pharma Round Separators and Dryers

Supertaut Plus Screens fit nearly all Circular Separators

Atlas Gyratory Sifter and Multi-Motion Rectangular Separators

Pneumatic Vacuum Conveyors And miscellaneous material

- Explosion Proof
- Compressed Air or Electric Pump Driven
- Patented Filter Design
- 316L Stainless Steel
- Multijector Vacuum Pumps

Electric Actuation and Motion Solutions †

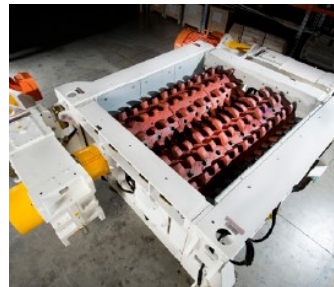

- True pioneer of electric actuators
- Reliable, environmentally safe
- Economic replacement for hydraulic or pneumatic systems
- Ideal for automation applications
- Ball and ACME Screw available

DDC Sizers

Vibratory Screens

- Roll Crushers
- Hammermill Crushers
- Cone Crushers
- Jaw Crushers
- Impact Crushers
- Sampling Systems
- Apron Feeders
- Drag/Reclaim Feeders
