Village of Morley Residents,

Happy 2021! We're hoping 2021 will be a better year than 2020 and that the pandemic will soon be over.

2020 was a busy year in spite of the pandemic. We had 5th and 6th Streets paved. We also received a grant to provide partial funding for additional streets in 2021. We are in the process of determining what we can do with the funds we have available.

Every year the Village is required to complete a compliance report for their street funding. This report includes various statistics about the Village. You can read it on our website or call us for a copy.

The Village of Morley Council held a public hearing on December 14 to discuss vacating Thompson Street between 2nd and 3rd Streets. No objections were made before or at the meeting and the Council passed a resolution to vacate that section of Thompson Street. The resolution will be recorded at the Mecosta County Register of Deeds and the Michigan Department of Consumer and Industry Services.

New Council member

My name is Sandy (Wilber) Leal. I grew up in the Rustford area, graduated from Morley Stanwood, and have lived in Morley for a number of years. I have two daughters and one son. I enjoy watching my two granddaughters compete in horse events and look forward to watch my grandson when he is old enough to ride horses.

You can also visit with me at the Morley Community Center sale on most weekends.

I will enjoy being on the Village Council working to make Morley a great place to live and see families have fun doing things together.

Morley Area Events & Festivals—2020

Family Fall Festival

2020 was a difficult year to hold events due to the shutdown and other restrictions associated with the COVID-19 Pandemic. The Village of Morley did manage to hold a couple events in the Fall.

Trick-or-Treating at the Gazebo

Trick-or-Treating at the Gazebo, sponsored by the Deerfield Bible Church, was held the evening of Saturday, October 31 from 5:00-7:00 PM.

The church provided hot chocolate, coffee, hot dogs, and donuts for around 250 community members and special treat bags for the kids!

Community Christmas-Santa Event

This year the Village of Morley did not have an event associated with the Gazebo lighting but a special Christmas event was held in collaboration with the Morley Community Center and Community First Federal Credit Union (CFFCU). Approximately 70 children visited with Santa behind a plastic partition. Everyone wore masks and practiced social distancing. Credit Union employees passed out treats to each child. A special presentation of miniature Christmas villages was provided in the Media Center by Mary Ann Galloway and Sandra Leal.

Santa was on duty in 2020 in spite of the pandemic!
