Section 3: DISPOSAL OF SOLID WASTE GENERALLY.

A person shall dispose of his solid waste and segregate items as provided in this Village ordinance.

SECTION 4: ACCUMULATION OF SOLID WASTE.

Section 4.1 Accumulation of refuse or Garbage

No owner and/or person in control of a residential unit, commercial establishment or industrial facility shall permit the accumulation of refuse, garbage or solid waste upon his or her premises for a period that would pose a health hazard, subject adjacent property occupants to unreasonably offensive odor or become a public nuisance. The accumulation of refuse, garbage or solid waste for a period in excess of fourteen days shall be burden of proof of a health hazard and creating a public nuisance. The terms of a lease shall not excuse either the property owner not the tenant from complying with the requirements of this section.

Section 4.2 Composting Storage

Leaves, yard waste and vegetable waste may be stored for composting purposes as long as they do not harbor rodents, subject adjacent property owners to an unreasonably offensive odor or become a public nuisance, provided compost is stored in the rear yard and located not closer than ten feet from the property line.

SECTION 5: UNAUTHORIZED DUMPING AND LITTERING.

It shall be unlawful for any person to throw or deposit any refuse upon or into any street, right-of-way, alley or waterway. It is also unlawful to place or permit the placement of any portable or non-portable container upon another's property, public or private, without the permission of the owner, proprietor, occupant or agent in charge of such property. Even with such permission, portable containers not belonging to a participating unit shall not be placed or permitted upon the property of a participating unit for disposal by the designated collector without the designated collector's express consent.

SECTION 6: PRE-COLLECTION REQUIREMENTS; SEPARATION; CONTAINERS.

Section 6.1 Pre-collection; Separation and Container Regulation.

All persons within the Village who place the following items for disposal, removal or collection shall do so in strict conformity with the following regulations:

6.1.1 Solid Waste. Solid Waste shall be separated and contained in an approved container.

6.1.2 Yard Waste. Yard waste shall be separated as required by the Village and contained in an approved container.

6.1.3 Bulk Refuse. All bulk refuse shall be separated and must be removed using an approved method. Approved methods of removal shall be limited to arrangements with the contractor or private arrangements to transfer the bulk refuse to an appropriate disposal site or facility.

6.1.4 Recyclable Material. All recyclable material shall be separated and contained in a recycling container furnished by the contractor.

6.1.5 Industrial Solid Waste. All industrial solid waste shall be collected by collectors privately contracted and paid for by the industrial user, and shall otherwise comply with the provisions of this ordinance.

6.1.6 Discarded Household, Construction and Demolition Debris. All discarded household, construction and demolition debris shall be separated and collected by contractors privately contracted for by the person who produced the waste, and shall otherwise comply with the provisions of this ordinance.

6.1.7 Hazardous Waste. All hazardous waste shall be separated and collected by contractors privately contracted for by the person who produced the waste, and shall otherwise comply with the provisions of this ordinance.

6.1.8 Medical Waste. All medical waste shall be separated and disposed of in accordance with all applicable county, state and federal regulations and shall be collected by contractors privately contracted for by the person who produced the waste, and shall otherwise comply with the provisions of this ordinance.

6.1.9 Grease Inceptor Waste. All grease inceptor waste shall be separated and disposed of in accordance with all applicable county, state and federal regulations and shall be collected by contractors privately contracted for by the person who produced the waste, and shall otherwise comply with the provisions of this ordinance.

Section 6.2 Use of Unapproved Containers

Items placed in an unapproved container will not be picked up, unless otherwise provided in this ordinance.

SECTION 7: RECEPTACLES.

Section 7.1 Maintenance

The owner, person in charge, or occupant of a building, house or structure where domestic solid waste accumulates shall maintain proper refuse receptacles as defined in this ordinance, and shall place all domestic solid waste accumulating on the premises in the containers; and shall store bulk refuse, recyclable materials and yard waste in containers or prepared for collection as specified in this ordinance.

Section 7.2 Residential

The person in charge of every residential building having four or less residential units shall maintain and keep clean proper receptacles to house domestic waste.

Section 7.3 Commercial, Industrial and Multiple Residential

The person in charge of a building consisting of five or more residential units, and every building used as a commercial or industrial business, shall provide and keep clean and in place proper receptacles of a portable type as defined in this ordinance, provided that if the Village determines that portable receptacles are not practical for a multiple dwelling, commercial or industrial business, it may authorize the use of non-portable receptacles as defined in this ordinance.

Section 7.4 Portable Receptacles

Portable receptacles for domestic solid waste shall be of metal, fiberglass, plastic or other substantial construction approve by the Village. Such receptacles shall have handles and tight fitting covers and shall not exceed 96 gallons each.

Section 7.5 Non-portable Receptacles

It shall be the responsibility of the property owner or agent being serviced to maintain the non-portable receptacle area free of odors, scattered or overflowing debris and all other nuisances. All garbage shall be properly wrapped or placed within a closed plastic bag before it is placed in a non-portable receptacle. The Village may at any time order the relocation or screening of a dumpster if it is deemed to be interfering with the health, safety or well-being of others.

Section 7.6 Location

All non-portable receptacles shall be placed and collected in a location designated by the Village. Such receptacles shall be located so that the permitted collectors will not have to trespass on the private property of another in order to pick up such receptacles. In no event shall non-portable receptacles be placed in or upon public property, easements, or public rights-of-way. All portable receptacles shall be stored upon the premises of the user and shall be returned to their place of storage after they are empty in a reasonable period of time (normally the same day). No empty portable receptacles shall be stored on Village property including the public right-of-way, sidewalks and streets.

Section 7.7 Non-conforming receptacles

Receptacles that, are badly broken or otherwise fail to meet the requirements of this ordinance may be classified as rubbish and, after due notice to the owner and contractor/collector, may be ordered by the Village to be collected as rubbish by the contractor/collector.

Section 8: CONTRACTOR REGISTRATION

No person shall engage in the business of collecting, transporting, delivering, or disposing of solid waste bulk refuse, commercial or construction debris, garbage, hazardous or industrial solid waste in the Village without first obtaining a business license from the Village as provided for in the Village code.

Section 9: CONTRACTS

Section 9.1 Grant of Exclusive Contract

The Village may by resolution grant an exclusive, revocable contract to a designated collector, giving it the right, power and authority to collect domestic and/or commercial solid waste, recyclable material, bulk refuse and yard waste as described herein within the Village. The designated collector shall receive no compensation from the Village but shall be permitted to enter into private contracts for collection of solid domestic waste and other services authorized herein.

Section 9.2 Intergovernmental Agreement

The Village may by resolution enter in to an Intergovernmental Agreement with one or more units of local government for the purpose of designating a collector and giving it the right, power and author to collect domestic solid waste, recyclable materials, bulk refuse and yard waste as described herein within the Village.

Section 9.3 Renewal of Contract

Any agreement the Village enters into with a designated collector, including renewal, extension or amendment, is subject to revocation at the will of the Village Council.

Section 10: TRANSPORTATION OF WASTE MATERIALS

Section 10.1 Mode of Transportation

The transportation of all garbage, rubbish or other waste materials through the streets, alleys or thoroughfares of the Village shall be conducted in a manner which does not create a nuisance. It shall be unlawful for any person to transport, cart, carry or convey through or over any street, alleys or public places of the Village any unwanted garbage, refuse, or food containers without the approval of the Village. It shall be unlawful for any person to transport or otherwise convey through or over any of the streets or public places of the Village any rubbish or other waste material, except under written regulation or with the written consent of the Village, except rubbish or waste material accumulated on property owned or controlled by him, and then only by approved methods of conveyance.

10.2 Conveyance Vehicles

Vehicles conveying waste must be of such construction and operated in such a manner that the contents shall not spill upon the public right-of-way or public property. Such vehicles shall be watertight and covered.

10.3 Collection Schedule

All waste contractors who maintain a regular schedule for pick up within the Village shall file that schedule with the Village Clerk.

10.4 Collection Times

All solid was contractors shall schedule their collection activities so that they occur within the hours of 7:00 a.m. and 7:00 p.m. local time, Monday through Saturday.

10.5 Collection Days

The Village may establish by category of waste being collected the day or days of the week that solid waste contractors may operate within the Village.

Section 11: FEES

Charges for the collection and disposal of domestic solid waste and materials shall be billed by the designated collector directly to the residential unit or participating unit owner or occupant at a rate outlined in the collector’s contract with the Village.

Section 12: PROHIBITED WASTE

Section 12.1 Prohibited Waste

It shall be unlawful for any person to place any material in a container or receptacle which might endanger the collection personnel, or to deposit or deliver to a disposal site any hazardous material, waste material which would be detrimental to the normal operation of collection, incineration, recycling or disposal, such as gaseous, solid or liquid poison, dead animals, ammunition, explosives, flammable

liquid, un-drained garbage of a liquid or semi-liquid nature, whether in containers or not, concrete, dirt, automobile or equipment parts, or any material that possesses heat sufficient to ignite any other collected materials. No motor vehicles shall be dumped or abandoned at any disposal site.

Section 12.2 Prohibited Placement

It shall be unlawful for any person to place yard waste, bulk refuse, hazardous waste or other waste specifically required to be separated from solid waste by this ordinance, in a refuse container for the purpose of refuse collection, removal or disposal, or not otherwise dispose of such item, except in conformance with the provisions of this section.

Section 12.3 Unauthorized Use

No person shall dump or place garbage, rubbish or refuse in a dumpster, bin or other container which is located on the property of another person leased, owned or maintained by the person without the authorized permission of the person. All violators will be prosecuted to the fullest extent allowed by law and/or provision of this ordinance.

SECTION 13 ENFORCEMENT

Enforcement of this ordinance shall be the responsibility of the Village Police Officer or his/her designee. The Village President is authorized to work cooperatively with a contractor to establish and promulgate reasonable regulations as to the matter, days and times for the collection of waste or recyclable materials. The Village board may, by majority vote, change, modify, repeal or amend any portion of this ordinance. Designated Village officials charged with the enforcement of this ordinance may be authorized to issue citations or notices for violations relative to any part of this ordinance.

SECTION 14 PENALTY

Section 14.1 Any person, firm, corporation, trust, partnership or legal entity which violates or refuses to comply with any provision of this ordinance shall be responsible for a municipal civil infraction and shall be punished by a civil fine in accordance with the Village code (page 9).

Section 14.2 Any person who violates, disobeys, omits, neglects or refuses to comply with any provision of this ordinance or any permit or approval issued under the ordinance shall be deemed responsible for a violation of this ordinance and the designated officer shall take appropriate action. Any person responsible for a violation of this ordinance whether as an owner, leasee, licensed agent, contractor, employee or otherwise shall be liable as a principal. Each day that a violation of this ordinance continues to exist shall constitute a distinct and separate offense, and shall make the violator liable for the imposition of fines for each day.

Section 14.3 Any violation of the provisions of this ordinance shall constitute a nuisance, per se, and the forgoing penalties shall be in addition to the abatement of the violating condition and injunctive or other relief which may be ordered by the court as prescribed by the laws of the State of Michigan for the abatement of a Village ordinance designated as a municipal civil infraction.

Section 14.4 A violation of this ordinance shall constitute a municipal civil infraction as defined by Michigan statute and shall be punishable by a civil fine determined in accordance with the following schedule:

	<u>Minimum Fine</u>	<u>Maximum Fine</u>
1 st Offense within 3-year period*	\$75.00	\$500.00
