Vietnamese Restaurant

We hope you will enjoy visiting us and return again soon. If you have any questions or need anything, please do not hesitate to ask.

Please advise server of any food allergies. Also, be aware that cross contamination of food properties may occur when preparing food. We cannot guarantee prevention of cross contamination.

“Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your RISK of foodborne illness.”

Regarding spicy-hot: Our “regular” ranges between not hot, to mildly hot, depending upon the particular dish. The sauteed dishes can be spiced mild, medium, hot or very hot. Our BBQ meat dishes can be served with hot sauce on the side.

Our dessert du jour is Fried Banana with or without ice cream. Specialty desserts are sometimes featured.

Our beverages du jour include: sodas, fruit necters, Jasmine Green or Lipton Tea, Thai Tea, Vietnamese Coffee, and maybe some surprises. Beer and Wine will be coming at some indeterminate point in the future.

If you want something or something is not to your liking, please ask one of us to help you. If something is wrong and you do not give us a chance to fix it, being silent and posting on social media is really not a fair solution.
