DOVER FIRST CHRISTIAN CHURCH

Announcements

9:30 am - Sunday School
10:30 am – Worship

- **Small Groups:** This past week we launched a series of small group Bible Studies to accompany our sermon series on the book of 1 Peter. We still have room in our group which meets here on Wednesdays at 6:00pm. We will meet for 4 more weeks, at which time we will resume regular Soul Food Bible Study.
- **Kid's Fall Kick-Off:** This Wednesday, at 6pm we are going to have a back-to-fun-and-learning party. We will have games, food, craft time and a campfire. This will give all the parents and kids a chance to meet their new teacher. This year we are starting a new program called Kids4Life. It will run on Wednesday evenings from 6-7:30pm for preschoolers through 9th grade. A full calendar of events will be coming soon.
Donations Needed We would appreciate any help with food for this event. We need hotdogs, buns and cookies.
- **Cruise-In:** Save the date for our 13th annual Cruise-In on September 29th from 3-6pm.
Donations Needed We would appreciate any help with food for this event. We need pop and bottled water for that day. You can drop it off anytime in the office. Also, if you would like to donate money to help buy food for the event, please see Judy Anders or contact the office.
- **Fall Family Fun Night:** We are planning an evening for the whole family on October 13th from 4:30-8pm. Brent McClelland and Kayla McClenaghan are hosting the event their home. Please bring lawn chairs, a covered dish and drinks. Please let Andrew know if you can help with condiments, marshmallows, chocolate bars or graham crackers.
- **Serving Survey:** Please fill out the serving survey for 2020. It takes a lot of planning to schedule everyone where they are needed each week and we would like to get them back early this year. Please fill out a survey and return it to the office as soon as possible. We ask that you fill out a new survey every year as the serving needs change and so we know you are still willing to serve in a particular area.
