

Dover First Christian Church

It seems like it's been forever since we were all together on a "normal" Sunday. Despite the difficulties this year has presented, we haven't stopped doing ministry for our church or our community. From Back to School Baskets to a Lasagna fundraiser, I am humbled by the generosity and passion of our church.

We are going to do our best to continue serving you, as we move into the winter months. With Christmas just around the corner, I wanted to send you a quick update on the things happening in the next month. If you have any questions or concerns about upcoming events, please reach out at 234-369-9023 or josh@doverfcc.com.

Merry Christmas,

Josh

Meeting Notes

At our quarterly meeting on November 19 we approved the new budget as well as confirming two new servant leaders. Judy Anders will be overseeing our Special Events moving forward, and Candice Robinson will be taking over our Worship Ministry. We also celebrated the many ways God has worked among us in 2020.

New Worship Time

As the weather turns cold, we have cancelled our outdoor service, and are moving back to only one service on Sunday, November 29. Because we are moving back to one service, **we will be shifting the time back to 10:30**. This indoor service still requires masks, and will continue to be live streamed on Facebook, YouTube, and our website.

December 24
4:30pm & 7:00pm
Registration Required
Third service will be added if needed
The 7:00pm service will be live streamed
