

## PRAYER IS PRIMARY REQUESTS FROM OUR ALLIANCE FAMILY

**Taiwan...** On the night of Feb. 6, a 6.4 magnitude earthquake struck near the city of Hualien on Taiwan's east coast. "We praise God for His protection over the pastor of the Hualien C&MA Church, the congregation, & their church building," Alliance workers write. "Please pray for those who have lost loved ones & who suffered injury or other losses. "Pray for the churches & believers to minister to their neighbors who are still reeling from shock and fear," our workers ask. Feb. 15 is the beginning of the Lunar New Year, the biggest holiday in Taiwan. Pray for Alliance team members Tinh & Huong Pham as they minister to migrant workers & their spouses, many of whom would otherwise be alone for the holiday. Intercede as well for Taiwanese believers during this time. Those who are the only Christians in their home may face challenges & opposition. Pray that they will remain loyal to Christ when enduring pressures from unsaved family members. Pray that these believers will shine the light of Christ to their families & friends.
