

PRAYER IS PRIMARY
REQUESTS FROM OUR ALLIANCE FAMILY

Bosnia: Praise the Lord that the Internet is being used to reach unreached people in Bosnia-Herzegovina! After connecting to an evangelistic Web site and chatting online with a pastor's wife, more than 30 people requested more information/Christian literature—and, in some cases, a Bible. "Elle" asked for a follow-up visit after exploring the site. A member of the country's majority religion, she lives in a city with no gospel witness and no known believers. This is the same city where Alliance workers took a team for focused prayer last year, asking the Lord to open doors for the good news there. Intercede for the upcoming visit with Elle. Pray specifically that God will give her courage as she considers following Jesus.

Our Annual Meeting is today at 1:30 pm after the potluck. Everyone is invited to the meeting, do join us to learn where we have been in the last year and find out what the 2019 Budget will be. See church office window for list of nominations to be voted on. While only church members may vote this is a good time to learn about how our church government works.

Antler Sunday is today. Pictures will be taken before the potluck.

In Wyoming we are somewhat behind the "sagebrush curtain" as to how some world news resonates with us. Do check out the insert. While anti-Semitism may not seem relevant in the Big Horn Basin, the headliners of the article are, when wondering "what can I do??" on many subjects in today's world. Article taken from the January '19 issue of the **Jews for Jesus** newsletter.

The AMIGO FUND thanks us for our generous gift. They received around \$10,000 from our church and other individuals. The FUND was able to make their 2018 4th quarter commitment, 2019 1st quarter commitment, and set aside \$5,000 in a reserve fund to grow for future retirements. "Exciting" in the words of Jim Stumbo!
