

PRAYER IS PRIMARY
REQUESTS FROM OUR ALLIANCE FAMILY

May 26, 2020—**URGENT PRAYER REQUEST**—From the Alliance World Fellowship: **Pray for the people of India**, where the situation due to COVID-19 is becoming more dangerous, especially in large cities where the population is concentrated. **The** number of patients has been increasing rapidly, and the death toll is also rising. **Pray** for healing of the infected, control of the virus' spread, and cooperation from citizens in practicing social distancing. **Pray** also for those affected by a destructive cyclone last week that left at least 84 people dead in India and a neighboring country. **Corona virus** restrictions have hampered relief efforts. **According** to the BBC, the COVID-19 crisis and social distancing measures "have made mass evacuations more difficult, with shelters unable to be used to full capacity."

WEST AFRICA: This week, the first two positive cases of the coronavirus passed through an Alliance-affiliated hospital. For the moment, the government is treating these patients in specialized centers around the country, so neither case is still in the Alliance facility. Please pray for several aspects of this situation: **1)** Pray for two national staff members who had contact with the cases. Some were not wearing proper protective material, & so they have been asked to self-isolate. **2)** Intercede for hospital leaders as the hospital receives these kinds of cases. Government hospitals are not making it easy to get patients transferred to where they should be, meaning added stress to Alliance doctors and staff. **3)** Pray for International Workers taking the lead in diagnosing & doing initial treatment on these patients, especially Dr. S., *who just happens to be from our district.*

One of the most beautiful qualities a person can possess is kindness. It has nothing to do with physical appearance but is an internal virtue that expresses itself externally toward others. We are naturally drawn to gracious and thoughtful people. And we're not the only ones who value kindness: the Lord is also please to see it in His children. *Charles F. Stanley*

Lets show some kindness this week to others in our church.....
