

Sept 11, 2020—**Africa**....This year has been hard the people of Africa. Not only has the continent experienced a plague of locusts and a drought that has weakened agriculture production to the point of food shortages and high prices, but the COVID-19 lockdowns and supply chain disruptions are badly hurting the economy. People are going hungry especially children!

With what feels like the whole western US on fire we are deeply thankful for our First Responders. A few of our local ones are Sean Patrick, Monica Bogardus, TJ VanderPloeg, Rob Hipp, Nathan and Bree Patrick, Catherine Wiekhorst and Sam Miller. Do keep these in your prayers!
