

Oct 12, 2020...**URGENT PRAYER REQUEST**...Spain Field Director Tim Westergren reports: "Spain's health crisis has deepened in the capital, and we are now in a state of emergency. The second wave of the coronavirus has again invaded congregations. Worship gatherings and baptisms have been suspended. An upcoming INFORMA (Ministerial Training Institute) graduation may be canceled as well." Please pray specifically for Vicente Rubio, who is hospitalized with COVID-19. Pray also against a spirit of discouragement. Even with deaths and confinement, the Alliance churches in Spain only became stronger during the first wave of the virus; but the second wave, while not as deadly, has been more damaging economically and emotionally, according to Tim.
