

3/31/25

We had a lot of new fish come in today, here are a few of the highlights: Pea Puffer, Kohaku and Citrus Guppy Pairs, Blue Lazuli Guppy Males, Panda Garra, Knight Goby, Pagoda Spiky Snail, White Spotted Rabbit Snail, Dumbo Plakat Male Betta, True Silver Dollar Lg, Monster Fire Eels over 20" and some local raised Julidochromis Transcriptus-Bemba.

We have ferrets arriving tomorrow with some plants also arriving. We did get some parakeets today to my surprise. The weather could be dicey Tuesday and Wednesday with snow/rain mixture. If you have any questions please give us a call.
