

8/18/25

We had a lot of great looking fish that came in today: big Giant Kuhli Loach, big Red Beckford Pencils, Brilliant Rummy Nose Tetra, Rope Fish, Vampire Shrimp XL, Elephant Noes are huge, Santa Clause Male Guppy, Red Crystal Shrimp and a couple big Syno. Angelicus and a African Lungfish. We still have a good amount of Water Hyacinth and Water Lettuce that are half of for the end of the season. Have a great week and give us a call if you have any questions.
